DEER TALES

MARCH 2008

DISTRICT AWARD OF MERIT HONOREES

The District Award of Merit recognizes someone who has multiple years of service at the Unit and District levels. Nominations are given at the District level and a District committee made up of past District Award of Merit recipients reviews the candidates. We look at service in and out of Scouting, tenure and the level of service provided to the Unit and District. We have always tried to be fair. BSA policy determines the number of recipients based on the number of Units in the District. Our District will present this award to three people this year. As always there are more deserving people than that, but we try to pick the best of those that were nominated.

This year's District Award of Merit Honorees are:

Kevin Campbell

Mike Martin

Tim Rye

Kevin Campbell

Kevin has been involved in Scouting since youth. He received his Eagle rank in the late 70's. He has worked as an Assistant Webelos leader and was the CubMaster for Pack 350. He continues to support the Pack as a member of the committee.

He has been active in the District since 1999 and his involvement and support of District Activities is numerous:

- * Director at Day Camp for three years (2005, 06, 07).
- * Ran 3 Citizenship WAP programs for the District.
- * Involved on both the District and Atlanta Area Council training staffs instructing in the areas of BALOO, Cubmaster, Den Leader, and rifle ranges.
- * Worked with the Activities/Program Chair for the District for two years
- * Roundtable Commissioner during the years of 2006 and 2007.

In his spare time he has been a Unit Commissioner.

He is certified to be Range Director and taken National Certification Courses which permits him to train others that want to be a range director.

Kevin is Wood Badge Trained and received the Dedicated Deer award in 2006.

Mike Martin

Mike joined scouting when his son began Cub Scouts. He held various positions before his son moved on to Boy Scouts. Soon after his son crossed over, he became the Troop's Committee Chair and stayed in the position even after his son was awarded Scouting's highest youth award, the rank of Eagle Scout. It's during his work as a Committee Chair where his activities spread beyond his home Unit and on to District via Camporees.

It wasn't until he stepped into an entirely District position when he made his true impact assisting the youth of Mountain Lake. Soon after creation of our District, the Chuppy Cats were born. The Wachtsu Chuppecat Chapter is a part of the Order of

the Arrow for the Atlanta Area Council Lodge, Egwa Tawa Dee. Shortly thereafter, he was instrumental in creating a ceremonies team that exists to this day and directed by him. He is the adult backbone of the Ceremonies Team.

Additionally, he is and has been the Venturing Crew Advisor since its inception almost 4 years ago. This crew is unique in that it is made up of youth from other units which is rare and brings its share of interesting stories and fun!

What possess an individual to stay in Scouting long after their son has left the program... a hard question to answer but touching the hearts and minds of youth is certainly part of it. Making a difference also is a part of the equation as well. Just think about the tremendous amount of time that gets put into the weekly and monthly meetings, the numerous Arrow of Light, Tap-out, pre-ordeal and Ordeal ceremonies. Just an hour a week... right!

Tim Rye

Tim has been an Assistant Scoutmaster for Troop 540 for 6 years. He has supported three Webelos Woods and ran the Woodyard Wars Camporee.

His District duties involved taking on an important role within the District. For two years he was our Programs Vice Chair for the Mountain Lake District.

If that was not enough, he helped the District by working on the District training staff for several years.

He has been on the banquet committee and has done a lot of the heavy lifting regarding the banquet program for the past 4 years.
