### Official Newsletter

# Fall Ordeal November 5-7 at Bert Adams. Elangomats needed!

Our second Ordeal of the year is almost upon us. Our Ordeals provide valuable service to our camps and allow us to welcome new brothers into our great and honored order. We cannot achieve these goals, however, without the support of the whole lodge. Consider serving as an elangomat or providing service in other ways during the weekend. Please remind the candidates who were elected this year that this is their last opportunity to attend the Ordeal (without being

re-elected). Some tools needed will be cordless drills or impact drivers with chargers. Please go to [aacegwa.org](http://aacegwa.org), click on Fall Ordeal and report what you can bring (more information on page 6). The registration deadline for the Ordeal is October 27th. I look forward to this opportunity to serve and induct new members and I hope you'll join me. If you have any questions leading up to the Ordeal, contact Tyler Azar at [ordealmaster@aacegwa.org](mailto:ordealmaster@aacegwa.org).

## Chiefly Thinking

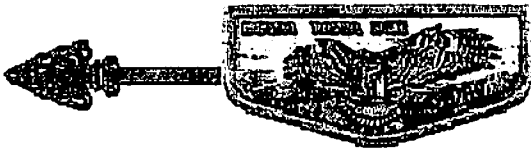

Brothers,  
Thank you for electing me as your lodge chief. I look forward to serving you. We have a long year ahead of us but as long as we work together we will be able to achieve everything we would like to. The new vice chiefs

are awesome and they can't wait to serve you as well. If you have any suggestions or ideas, please let us know. We want to best serve you and we are glad for the opportunity.

Y.I.B  
Scott Conner

# Got Brotherhood?

Dear Brothers, Going through the Ordeal makes you a member of the honor society of scouting, but it is just the first step to becoming a truly outstanding scout. 10 months after your Ordeal, you are eligible to go through Brotherhood and "seal" your membership within the lodge. Why do this? What is the difference between a naked sash and a barred sash?

Going through Brotherhood serves many purposes. It states that you wish to serve others. Your troop elects you to go through the Ordeal, but you decide to go through the Brotherhood. Going through Brotherhood tells your troop that they made the right decision by electing you to the order. In many troops, going through Brotherhood is even announced at Court-of-Honors. I urge you, as a Brother and a friend, take the second step of the journey, seal your membership and become an active member in the lodge.

To sign-up for the Fall

Ordeal, go to the lodge website, [www.aacegwa.org](http://www.aacegwa.org), click on "Fall Ordeal" under events of the left of the page. You should see the sign up form there. The deadline to sign-up is October 27, 2010. You can also check our lodge website for updates, schedules, and forms. In addition, you should sign-up for email blasts for the current OA news at the right hand side of the lodge website. If you have any questions, please e-mail me, Corey Yates, at: [brotherhood-chairman@aacegwa.org](mailto:brotherhood-chairman@aacegwa.org). I'm looking forward to seeing all of you at the Fall Ordeal

YIB,  
Corey Yates

## Lodge Leadership Development (LLD)

Lodge Leadership Development is around the corner. It will be held at the Volunteer Service Center on December 4th. The schedule is still being developed, but we are looking at starting around 9:00am and ending at 4:00pm. We will have training cells that include Ordeals, Chapter Development and Roberts Rules of Order. Lodge and Chap-

ter officers are highly encouraged to attend, but any Arrowman is welcome. The cost for lunch will be \$5. After LLD we will hold our monthly LEC. If you would like to lead or assist with a training cell, please call or e-mail Bradly Jacquet. He can be contacted at [lld@aacegwa.org](mailto:lld@aacegwa.org).

## Bert Adams and Egwa

This year Egwa is looking to make a major impact at both of our council camps.

Bert Adams staff is looking forward to adding many programs the OA has to offer to their awesome summer camp program. If you have any ideas on a program we could offer for Bert Adams or are planning on staffing at Bert Adams and would like to help, please contact Christian Goerner, OA Bert Adams Summer Camp Coordinator, at [baaacordinator@aacegwa.org](mailto:baaacordinator@aacegwa.org)

## Scoutfest

Brothers of Egwa Tawa Dee, we need your help volunteering for Atlanta Area Council's Scoutfest on October 23<sup>rd</sup> at the Cobb Galleria! Set up will begin at 8am and clean up should be completed between 5 and 6pm. We need brothers in the following areas: Ushers (acting as guides

for the program), Cheerful Service, Shows (Dancers and Drummers), Tipi Village, Information Booth (What can the Lodge do for you? Where to go camping?), Trading Post, and Crafts. Participation in the event is \$8.50. You can turn in registration via the Lodge by October 15. If not, payment is due at the door.

If any youth Arrowmen have a financial need, please contact Marilyn Parker at [2nparker@bellsouth.net](mailto:2nparker@bellsouth.net) about the Egwa Fellows scholarship. Service provided to the Scouting community, such as the time spent dancing or drumming, or working as an usher, will count toward your service hours. Come out and help support Egwa!

## Officer Reports

### Vice-Chief of Program

Brothers,  
Thank you for electing me as your new Vice Chief of Program. I am looking forward to serving you in the coming year. This term started off very well with the Adventure Camp Trailblazer, and I'd like to thank all the Arrowmen that camp out and helped us. Thanks especially to chairman Tyler Azar, who pulled it all together and to the Arrowmen who helped me with Saturday night's campfire - the whole weekend

was a huge hit with the Cub Scouts. Now I'm looking forward to Scoutfest on October 23<sup>rd</sup>, and to the fall Bert Adams Ordeal. Unfortunately, I will not be able to make it to the Ordeal until Sunday morning due to important academic obligations, but I'm pleased to say that your Vice Chief of Communications has volunteered to take over. I'll continue to work with him and the Ordealmaster in the weeks coming up to the event to make sure that their jobs are as easy as they can be. I am looking for an Arrowman to lead the Sunday Morning Interfaith Worship service that Sunday

morning before breakfast. If you are interested, please contact me at [vcprogram@aacegwa.org](mailto:vcprogram@aacegwa.org). Winter Banquet isn't far off either. It's going to be on January 9, 2011 at the Volunteer Service Center following an LEC. More details to follow.

I'm looking forward to working with my fellow Lodge Officers in the coming year to make sure that you all have the best experience you can with the Order of the Arrow. If you have any suggestions or questions, don't hesitate to shoot me an email.

Yours in Brotherhood,  
Joshua Buchsbaum

### Vice-Chief of Administration

Firstly I would like to thank everyone for electing me as your new Vice Chief of Administration. I have some big goals and I hope to get them all done. In November we have our make-up ordeal and it is going to have a lot of new candidates going through. We are expecting around 300 candidates. For these 300 candi-

dates I need Elangomats. I am going to need a lot of Elangomats that are skilled in carpentry work. They will be helping build several new cots for the new tents at Bert Adams. Please register to help out with this event. We need as many people as we can get. I would also like to remind all of the Chapters that the Honor Chapter submis-

sions need to be turned in at the November ordeal. Lastly, I need to have the contacts for each Chapter's Elections Chairmen.  
WWW,  
Alexander Leach

## Vice-Chief of Indian Affairs

Hello Brothers,  
I would like to begin by thanking the lodge for voting me into the position of Lodge Vice Chief of Indian Affairs. I would also like to congratulate all of the brothers that sealed their membership in our lodge by going through the brotherhood ceremony at Fall Fellowship. I hope many more of you will do the same at the Bert Adams ordeal, for it is your last chance to partake in the Brotherhood ceremony this year. Now on to business: We have an Ordeal fast approaching and the Lodge needs ceremonies teams. All of the chapters need to contact me about performing the Ordeal and Pre Ordeal Ceremonies or assisting in the

performance of the ceremonies.

Remember that you will need to request two regular sites and two rain backup sites for the performance. Sites will be given out on a first come first serve basis and I will confirm your sites when you contact me.

To all Brothers interested in Native American Drum and Dance, we are making some exciting new chances to the lodge Drum and Dance team. If you are interested in being a part of the teams then contact me and I will send you the information on the dates and times of the meetings.

In August 2010, there will be the National Indian Summer. This is an event

hosted by the National Order of the Arrow and will have many Native American activities including, Drum, Dance, and Ceremonies. It will be a very fun event and I hope many of you will sign up. The registration deadline will be coming up shortly and a deposit will be due. Contact the event Advisor Mrs. Parker for more information or you can look at the National Order of the Arrow Website for details.

I am very excited to be working with my fellow Lodge officers in the next year. I hope this will be a great year and I am looking forward to seeing many of you in the coming months at our lodge activities. Yours in Brotherhood,  
Jeremy Lohr

## Vice Chief of Communications

Brothers,  
I am excited to serve as the Vice Chief of Communications once again for this upcoming year. Once of the important

aspects of communications in this Lodge is an Advisor and Chief email list so that information that is not pertinent to the entire Lodge may be passed on just to the Advisors and

Chiefs. So, if your Chief or Advisor has changed since last year, please email me so that I can add the new contact information onto the list I am creating.

Thanks,  
Andrew Bates

## Vice-Chief of Finance

I would like to thank you for having elected me to be this year's Vice Chief of Finance. The Egwa Trading Post has gotten off to a terrific start, at the memorabilia show, we managed to sell \$600 for the trading post and raise \$2500 for the campership fund. During Adventure Camp we managed to sell over \$700 in lunch items. As before, please

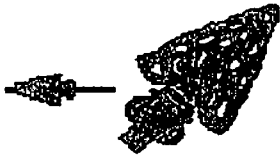

make sure that you get all merchandise ideas and patch designs to me so that I can look them over and hopefully get them added to the trading post for this next year.

## Chapter Reports

### Attention Chapters:

This is the easiest way for your Chapter to communicate to other Chapters and to the Lodge about what your Chapter has done or is planning to do in the near future. We strongly encourage every Chapter Chief or Secretary to submit a Chapter report to [vccommunications@aaacegwa.org](mailto:vccommunications@aaacegwa.org) by the stated deadlines.

### Cympe Vekiww

Brothers, I would first like to congratulate all of our new chapter officers. Lans Swafford as our new chapter chief, Landon V.C. of Administration, Mathew Perkins V.C. Communications, Chase Dickerson V.C. Program, Will Chastain Secretary, Ethan Tucker V.C. Service, Joey Agey V.C. Indian Affairs. Our recent Chapter activities were going to a Pow-wow at Macintosh Park and working the BB gun ranges at trailblazer Adventure Camp. We are planning to attend the Dog River clean up in October. We have been

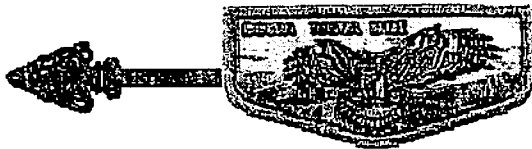

performing our Arrow of Light ceremonies this past month and the month of November. Cympe's Ordeal ceremony teams have been practicing once a month on Tuesday, 7:00 at Alpha Fowler community center in Douglasville. If you haven't gotten your Brotherhood, you need to attend the Bert Adams ordeal on November 5, 6, and 7.

### Etowah

Etowah Chapter is currently working on Ordeal teams for the upcoming Ordeal. So far we have enough people for two teams.

### Lowanne Nimat

Lowanne Nimat is pleased to welcome the new Lodge Officers and wishes them the best of luck. We'd like to make a shout out to our own VC of Administration, Alex leach, and VC of Program, Josh Buchsbaum. We are holding elections at our upcoming meeting on October 14th at Roswell First Baptist Church at 7:30PM. We are also recruiting for our ceremonies team. We encourage all of our Brotherhood Eligibles to attend the upcoming Ordeal and go through Brotherhood and we are looking forward to supplying several Elangomats.

## Nagatamen

Nagatamen has been very busy lately. We have completed a service project for the Rockdale cooperative extension providing security and a tipi village for their event. We have also completed a tipi village at 3 events this year; COTC, Cooperative extension, and Adventure camp, We would like to thank Mrs. Parker and Cvmpe Chapter for their support and tipis for COTC. Also, Thanks to everyone, especially Bradley Jacquet and Mr. Crew, for making our mini pow wow at Adventure Camp a big success. It was greatly appreciated by everyone at the events. Our brothers have created a Pre-Ordeal team that is ready to perform this fall. We are looking forward to a great Ordeal which is being run by our chapter chief Tyler Azar. We hope you guys have a good fall and a happy Halloween.

## QuNiGiSi

Quinigisi Chapter (South Fulton District) provided staff assistance at the South Fulton District Spring Camp O Ree, and called out 10 new members elected and selected by their Troops. The Chapter recently held an organizing meeting, and elected Neil Dhruv as Chapter Chief and Jayesh Chokshi as Chapter Vice Chief. Brothers are currently planning the South Fulton District Fall Camp O Ree at Camp Jamison during the weekend of November 12-14, and will be welcoming new Brothers at the Bert Adams Fall Ordeal. Special thanks to Nagatamen Chapter for their hospitality at the Spring Ordeal and the opportunity to work with you during the Ordeal.

## Soquili Gvnagei

Brothers, Soquili ran the Morse Code station at Adventure Camp. Right now, we're focusing on having more activities at our chapter meetings, and more effective communication among chapter leadership. We plan to support Milton District's upcoming Scout Expo.  
Yours In The Arrow,  
Soquili Leadership

## Tella Qualla Boundaries

In late August we had Tella Qualla Boundary's family day which is a kick off picnic for the new year. Then in September was Fall Fellowship which went well and we held our first Chapter meeting of the year. We will be holding our chapter elections at our October meeting. Adventure Camp also was a very good experience where TQB directed traffic and assisted Cub Scout parents with information.

**No chapter reports submitted from:**  
Achewon Woapalane, Creek, Echota, Kenesaw, Lockchau Talofau, Seven Springs, Thennethlofkee, Wesadicha, and Wachtsu Chuppecat

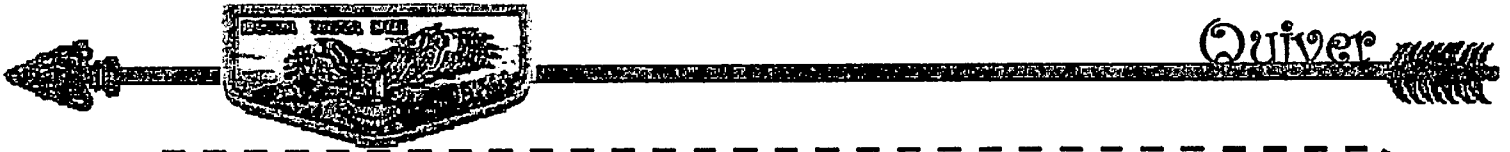

## Egwa Needs Your Help for a Meaningful Project at the BASR Ordeal

The primary service project of the Ordeal at Bert Adams Scout Reservation, November 5-7, will be the construction and installation of permanent beds in the Cub World Adventure Camps. This may well be the most ambitious service project every undertaken by our Lodge during an Ordeal. For this to be a success we need the support of our

skilled Brothers with tools. We need Brothers, especially adults, with woodworking/construction skills/experience to attend the BASR Ordeal and help supervise teams of candidates as they strive to accomplish this task.

We also need the tools to equip these teams. The main tool needed will be cordless drills/impact drivers with chargers. The more drills we have the more teams we can equip. We also need eight miter saws

preferably with stands and two table saws. Please go to the Fall Ordeal section of the Lodge web site and complete the form if you can provide any of these so that we can insure that we have only what we need and no more. Please mark everything you bring so that will be no confusion as to ownership. Questions can be directed to Charlie "Mac" McKinley at [macjan@bellsouth.net](mailto:macjan@bellsouth.net)

The Order of the Arrow and the New River Gorge National River have joined together to create a program titled SummitCorps – The New River Experience. A chance for 2,000 Arrowmen from all over the USA to provide meaningful service during a four-week period in July 2011. Each week 500 Arrowmen will attend to provide service building a new bike and hiking trail on National River land adjacent to the Boy Scouts of America's newest high adventure base and future site of National Scout Jamborees: *The Summit: Bechtel Family National Scout Reserve* in West Virginia. SummitCorps will provide a unique opportunity for youth and adult Arrowmen to set an example of leadership in service to those who treasure our National Parks. In addition, we will live an experience that will leave Arrowmen with:

- A deeper understanding of the Scout Oath, Scout Law, Order of the Arrow Obligation, and what it means to "live" these words in one's daily life.
- A renewed spirit, pride, and enthusiasm for Scouting and the Order of the Arrow.
- Skills that will help them to be more effective leaders in their lodge, Scout units and communities.
- New program ideas, knowledge, and skills that will help them to be of greater service back in their home unit, lodge and council.
- A deeper appreciation of our country's natural resources.
- New friendships with fellow Arrowmen from throughout the United States and memories to last a lifetime

The 2011 SummitCorps program will cover a four-week period of time from July 3 through the 30th. Egwa's week is the second one, July 10 – 16, 2011. The staging area for this program will be the Glen Jean, West Virginia National Guard Armory (on US Highway 19). Glen Jean is also where the headquarters for the New River Gorge National River is located. **All participants must register as a member of their local lodge contingent or be a member of the SummitCorps staff. Staff applications will be on line. Lodge contingents may sign up for one week ONLY on a first come, first serve basis.**

For the 2011 SummitCorps program, each Lodge will be allotted **only 8** participants in the first sign-up. All Lodges will have until December 1, 2010 to use their allotted number of reservations. Reservations not used will be released to other lodges on a first come, first serve basis. Lodges may apply for no more than 15 additional spaces when they send in their original reservation, which will be placed on a first come, first serve waiting list, which means, if you want to attend, sign up NOW. Although there are no ratios imposed on youth to adult participation, youth will be given preference if they sign up first.

To sign-up, using the form below, mail your deposit check for \$100 per participant to the Atlanta Area Council, BSA **ASAP**, but no later than **November 10, 2010**. The \$100 per-person deposit is transferable to a substitute within the same lodge on a one for one basis, but it is non-refundable, and may not be applied to the balance due for another person. Participants canceling their reservation after May 31, 2011 will forfeit their entire SummitCorps fee. (Lodges requesting additional space beyond their quota of only 8 persons must submit a \$100 deposit to hold those extra spaces, which is refundable if the requested space is not filled.) No individual reservations will be accepted. All weeks will be filled on a *first come, first serve basis*, so lodges are encouraged to register and send in their deposits **early**. There are only **500 spaces per week available, including staff**.

**Housing:** SummitCorps participants and staff members will be camping on the Glen Jean National Guard Armory grounds and will need to bring their own tent and sleeping gear. Once registered, participants will be sent a list of necessary personal items to bring.

In 2011, the SummitCorps website will provide information about programs that will be offered at the project site. This will include information about recreational opportunities, special events, religious services, opening and closing gatherings, and special guests. Lodge members should visit the SummitCorps promotional website: [www.event.oa-bsa.org](http://www.event.oa-bsa.org).

The National OA SummitCorps fee is \$250.00 (+ our Egwa transportation costs) for the week. The National fee includes seven days of program, 18 meals, safety equipment, insurance coverage, recognition items, and a full day of recreational fun. We will keep our transportation costs as low as possible; we are estimating \$100 or less for traveling costs.

All SummitCorps participants are required to provide a completed and signed annual BSA Health and Medical Record form. Examination must take place no more than twelve months prior to the start of the week. All participants must meet the Philmont height and weight guidelines and be in good physical condition to participate in the SummitCorps 2011.

**PAYMENT SCHEDULE**

\$100 Deposit due ASAP, but not later than November 10, 2010  
 \$150 payment due by March 1, 2011
